givejedahand Hey #CAMH CEO Catherine Zahn there's #shit on your face - #TheFace of #MentalHealth CAMH #Downtown #West formerly #Archway #Clinic and in the #streetsoftoronto for #streetphotography too. And your #urbanvillage is a #condo #wasteland for #hipster #nazi #vegans #livingoncredit who don't like animals anyway - just #hate #humans especially #schizophrenic ones. You can #wipeyourface Catherine but how are you going to fix a ruined #hospital a ruined #city? #Resign! Or just #dropdead! #TransformingLives means #polgrom. Your #rns crack under their caseload and drink our pinmoney afterhours! #Faceit! You've done a SHITTY #JOB!
